

The SAGE-ID Study

This tells you about the Successful Ageing in Intellectual Disability study.

This is so you can decide if you want to be in it.

What's the study about?

The study is about what life is like for people with an intellectual disability as they get older.

We want to know more about:

- What things help people to stay healthy and happy
- What services they need
- What services their family members need.

Who can be in the study?

You can be in the study if:

- You are **40 years or older**
- Have an **intellectual disability**
- You have **someone you trust** who can help to answer questions
- You **live in or near one of these Sydney places**: Waverley, Woollahra, City of Sydney, Leichardt, Ashfield, Burwood, Strathfield, Canada Bay, Canterbury, Marrickville, Hurstville, Rockdale, Kogarah, Botany Bay, Randwick, Sutherland, Campbelltown, Fairfield, Liverpool, Camden, Bankstown **or anywhere in Illawarra or Shoalhaven area.**

Who is doing it?

People from the University of New South Wales in Sydney.

How can I be in the study?

What if I don't want to be in the study?

That's OK. You don't have to be.

It's up to you to choose.

What happens after the study is over?

We will write a report about what we found out.

We hope it can help older people with an intellectual disability like you in the future.
